

To generate your Program Profile:

- Navigate to Program Profile either from the main menu (below), or after clicking on 'View and Manage Duet Program Profile' (as shown above). To navigate from the main menu, click on the grey circle on the top right corner of the page with your initials. Then scroll down to "Program profile".

The screenshot displays the Altus Suite user interface. At the top, there is a navigation bar with a "Go to Altus Suite" button and a user profile dropdown for "Sabrina". The dropdown menu includes options for "My account", "Program profile" (highlighted in blue), "Help", and "Log out". Below the navigation bar, the "Duet Program Profile" section is visible, featuring dropdown menus for "Program" (set to "City Medical College") and "Admission cycle and test" (set to "2020-2021 - Medicine"). A "Program Profile" button and a "Manage" link are also present. The main content area shows "Total Completed Assessments: 1/20" and a progress indicator with five bars. A message states: "Your Program Profile can be generated." followed by explanatory text and a "Generate Program Profile" button. A small chat icon is visible in the bottom right corner.

- On the "Program profile" page, if you scroll down you will see a blue button that says "Generate Program Profile". Click here to generate your profile.

- If the Program Profile has already been generated, you can regenerate it again. It will look like this:
